## **Request to Coordinators:**

### ***Kindly note the following instructions regarding the execution and documentation of the Transitional Curriculum:***

- Please contact your respective day-wise speakers/resource persons and make all necessary arrangements to ensure the smooth and proper execution of the Induction Programme.
- We request you to maintain comprehensive records related to the Induction Programme, including photographs, student attendance, test papers, question papers, and feedback forms. These records should be submitted to the principal's office.
- Additionally, please ensure that attendance is taken daily in both the morning and evening sessions and submit it to Dr. Zubair A Khan (Kul).
- Coordinator should kindly post the daily schedule of the Induction Program in the students' WhatsApp group.
- If any coordinator is busy or engaged in official work, they should mutually adjust or assign the duty to a colleague and inform the Principal's Office in advance for smooth management of the program.

## **Important Instructions for Students:**

### ***Your active participation is essential.***

- **Dress Code:** Students are required to attend the college in the prescribed uniform at all times.
- **Induction Programme Details:** This 15-day (90-hour) Induction Program, mandated by NCISM and the Ministry of AYUSH, is crucial for your academic journey and personal development.
- **Attendance Count:** Attendance for this program will be counted as part of your overall class attendance. According to NCISM guidelines, the total working days for the first professional BUMS course is **320**, which includes 15 days of the induction program, contributing 90 hours to the total **1920** hours of required teaching.
- **Programme Timings:** The Induction Program will be held from 09:00 AM to 04:00 PM daily, with a lunch break from 01:00 PM to 02:00 PM.  
**Please ensure your full attendance and punctuality throughout the duration.**
- **Active Engagement:** Your participation and engagement in the sessions are expected. This program is designed to lay the foundation for your success in the course, so be attentive and involved in all activities and discussions.
